Gemologist  
M T M Haris FGA

report  
verification

Important Note : Conclusions in this report reflect our findings at the time of testing & available testing methods adopted by our gemmologist best of their professional expertise & experience. A gemstone can enhanced / modified at anytime its life span. Once it's left the E G Lab after testing, rechecks are necessary to determine current status. Please see the reverse for terms and limitations.

For online verification log into [www.eglab.lk](http://www.eglab.lk) or scan the QR code given.
